Sir,

I have the honor to bring to notice the very backward state of the Bowringpet Taluq. Some months ago I directed the Amildar to send me his unanswered reference list and he directed his head munshi to make it out, who however has taken some months to do it. I have this day received it and it comprises 666 unanswered references dating back from 1889. As it is impossible for the Amildar to coke with all this back work and keep up his present work I would beg to suggest that a deputy Amildar be appointed to help the present Amildar with this work and when finished he may be put in charge of the Basavanhosahalli hobli to look after the work on the Gold Fields and which will be required for opening up the new town and looking after the sanitation &c.

Dear Sir

I most respectfully beg
permission to lay the following
few lines before your honor
for your honors kind consideration
and favourable orders.

I have been a Daily
Messenger for the words of 14 years
& am now in the 1st grade they
Service Papers will speak as to the
work I have done & the satisfaction
I have been able to give to those
Officers under whom I was placed
for duty & as the Service has been
submitted to the Government with

with my Personal Duty permission
to enclose copies of the remarks
therein made & also copy of
Circular No. 7 dated the 16th May 1899 addressed
to the Deputy Commissioner by
Mr. Shoshi Kanta the late Auditor
of the Salary for your honourable
perusal.

I have qualified myself
for an Auditorship by passing
all the tests

Though I attend
thus qualified & though my
Superior Officers have always
spoken well of me & often
brought my case to the notice
of the higher authorities,
Yet I have not been fortunate
enough in securing the promotion
to the grade of Appointment.

I submitted an application
through the Auditor of the
Salary on the 16th May 1899
to Mr. A Rungaswamiyangar the
then Deputy Commissioner of the

The District praying for a pension
on the reconstruction of Green work for
Lock Colony to the Standard of a
Colony, and that Officer was
pleased to inform the Auditor
that as my name had already
been included in the list of
Candidates eligible for the post
of Auditor I by Auditor &
Submitted to the Government
no separate recommendation
could be put up, but I
however I liked I might
submit a Memorial to the Govt
I accordingly submitted
a Memorial & the late Deputy
Commissioner was kind enough
to forward the same to the
Government with very Severe
Report on the 19th September
last but no order have yet
been passed.

When I brought all my

humble remembrance to your honor's kind notice in person & prayed for promotion in filling up the vacancies then existed, your honor was pleased to promise me that your honor will consider my case in filling up the vacancies, but those vacancies were otherwise disposed of & my case was lost sight of.

I also submitted an application to your honor on the 11th January last enclosing a copy of my memorial praying your honor for a promotion to the post of the Deputy Amildar of Gudekunda Sub-Zilla, but as that post was otherwise filled up by the Government I lost that opportunity also, & have to attribute all these to my misfortunes.

I have been informed from Mulhoyal Valley to Bowmanville in the interest of Yonge Street & on Concession that I would get an allowance of Rs 15 per mensem in the Superintendent department but as a Liberale Indian Christian I should receive appointment at this station I had that allowance also. This has a great help to me and encouraged to make economy in this costly place.

I am conscience to understand that a Deputy Guildus post will be created at the Kolar Gold Fields I take this opportunity of once more laying my grievances before your honor & crave permission to approach your honor with this application & pray that your honor will be graciously pleased to

to back my application with
your honor's kind support
& submit it for the favorable
consideration of the Government.
& thus bestow on me an everlasting
boon.

I beg to add & state
to submit that I have acted as
interpreter Auxiliary of the Railway
more than once during the
short period of the Auxiliary
Service on hire & have once
acted for the Auxiliary of the
Railway for about three months
& have received 3rd Class Imperial
Honours vide Government Notification
No. 870 dated 20th July 1897.

honor's kind perusal.

Further I beg permission
to submit that Hon'ble Rungaswamiyer

I do respond to the Lord in his letter dated 14 the 4 April last that I would do well to Cope with the work of this Valley, when he recommended me to act for the Guidance of this Valley who applied for three months leave

Sir.

I have the honor to state that T. Chokkanna, Amildar of Bowringpet, has applied for 3 months privilege leave from the 18th Instant, or such other date as he may avail himself of the same. The Comptroller's certificate submitted with this office No 4273/979 dated 9th April 1898, shows that the Amildar was entitled even then to 2 months and 15 days privilege leave. The Comptroller has also in this office docket No 3414/2039 dated 12th Instant, been requested to send a fresh certificate, showing the amount

amount of privilege leave at the credit of the Amildar and the same will be forwarded to Government in its receipt for reference. As he has since taken no privilege leave and as his absence on account of an accident has been treated as sick leave (Vide Govt. Pro. No 6237-8 dated 14-1-98) which does not cause a break in service counting for privilege leave, the Comptroller's Certificate is sure to bear out his claim to 3 months' privilege leave. I beg, therefore, that the leave applied for may be granted to the Amildar and during his absence, Surgavan Anantha Shanbhag the Sheristedar of the same Taluq, who has passed the Local service Examinations and acted as Amildar more than once, may be appointed to act as Amildar with powers of a Magistrate of the 3rd Class. He will have, however, to be relieved of the charge of the Treasury, and Lakshminarasappa, formerly Revenue Accountant and now 4th English Clerk and who has passed the Revenue Examinations, may be appointed to act as Taluq Shirastedar at Bowringpet.

Had I not carefully scrutinized the list of pending references, in the Taluk and

Government have asked me to bring to notice the Amildars responsible for those gross and culpable delays and in Case no: VI, Government state that they are averse to absolve higher officers responsible for the prompt disposal of work. With this view expressed by Government, I entirely and respectfully concur, and would request Government to take such notice of the conduct of the then Amildars of the Bowringpet Taluk, Seetharamaiah and Chockkannah as they may deem necessary.

of his Civil work, or (b) whether a Deputy Amildar with 3rd class powers would be sufficient. Mr. Sparkes and Mr. Ramanuja Iyengar were both of opinion, (vide correspondence enclosed for ready reference), on account of the large number of office arrears in the Bowringpet Taluk Amildar's office, the heavy revenue work of the Taluk, and the probability of a large amount of extra work in connection with the scheme for the formation of the New Town being thrown on the Amildar, that a Deputy Amildar with a sufficient office establishment was necessary. But they, neither of them, took into consideration or noticed the fact that this would give very little relief to the already overworked Special Magistrate's Court, seeing that a Deputy Amildar would only take up 3rd class and petty Criminal cases.

3. As regards the other proposition (a) I have the honor to call attention to the enclosed letter to the Chief Court giving my opinion in the matter of the formation of a seperate Munsiff's Court for the Kolar Gold Fields and the Bowringpet Taluk.

the Officials of the Taluk Office at Bowring-pet, in consideration of their extra revenue work, and to meet the heavy expense of rent.

Why not the Bangr Taluk offices be treated as Bangr ?

Note: (The rent of a small house at Bowringpet is 5 or 6 Rs. In Kolar one or two Rupees).

What is the rate in Bangr ?

5 The approximate cost of the two schemes would be roughly as follows:—

(1).

Additional Munsiff 3rd grade	Rs: 150/-
1st class Sheikdar	25/-
Extra Establishment, Munsiff	50/-
Extra local allowance to Amildar	50/-
Local allowance to Taluk office establishment	50/-
Extras	25/-

2nd Sumasta	25/-
One Sumasta	20/-
Dy: Sumasta	15/-
Peons	20/-
Extras	20/-
Total:-	Rs: 200/-

No. 3472/730 on file

Memo

As directed in the marginally noted Communication, I have spoken to the Revenue Councillor, Eastern Division, on the subject and now beg to submit the accompanying papers for orders.

Docket No 9467 dated 26th June 1899 from the Secy to the Govt of Nepore to the Dy Commr. R.4107

This memo may represent back to the Dy Comr for being submitted officially, if necessary, to the Secretary to Govt

2. It has been felt for sometime past that the press of work in the Bowringpet Taluq, had considerably increased owing to the growing importance of the Gold Field area and that some special arrangement was necessary. In June last Mr Sparkes has accordingly brought to the notice of Government that the Revenue work of the Taluq had fallen heavily in arrears, and that

a Deputy Commissioner was necessary to clear them off - and also to superintend the opening out of the new town on the Gold Fields site selected by the Revenue Commissioner.

3. The creation of a Deputy Commissioner's post has now become a matter of very urgent necessity, as in consequence of the recent visit of the Revenue Commissioner to the Gold Fields, the scheme for the formation of a new Town has received a fresh impetus and at a rough computation, there will be required in the new township

120 Bungalow sites
810 House sites
260 Bazaar sites &
4,200 Cooly-huts

Mr Runga Row Executive Engineer, Sanitary Department, has been specially deputed to lay out the above sites, and applications may be expected to be

to flow in very freely. These applications will have to be disposed of as fast as they are received and this cannot be done without a Special officer on the spot of the rank of a Deputy Amildar. He will have to take prompt steps for the acquisition of the lands required if they fall outside the area already acquired to sell the sites by public auction to the best advantage, to co-operate with the Sanitary staff and see that the houses to are built in accordance with Sanitary Rules and that no encroachments are permitted. A Deputy Amildar with Magisterial powers will also supply the backbone without which the present Sanitary staff can barely cope with the sanitation of the 79 villages

Continuing

Committee the Sanitary Circle, or effectually control the erection of Cadjan huts which are springing up on all sides without let or hindrance

4. Another matter equally important requiring the attention of a Special Revenue Officer is the Revenue administration of the villages included in the Sanitary Circle. So the new Sanitary Board Kalutara have granted the Mohantara Revenue of these villages besides 7½% of the local cess for meeting its working expenses. The Sanitary Board's Budget for the current year provides Rs 7,860 per annum for establishment charges alone but the Mohantara Revenue of these villages has fallen off considerably.

From

From Rupees 8067 in 1897-98 it has dwindled down to Rs 3403 in 1899-1900 owing to plague and other causes. Unless vigorous steps are promptly taken to improve this source of revenue the Sanitary Board will not be able to pay its way! In their Budget for the next official year which has been separately submitted the Board has already put in an application for a special grant of Rs 7,860. The major portion of the Mohalla fees consist of a floating population, and the work of revising the taxes and Collecting them can not satisfactorily proceed without the close supervision of a responsible revenue officer on the spot -

5 A Deputy Auditor with 3rd

C

Class Magisterial powers will also be useful in trying breaches of Sanitary Rules in which prosecution has been instituted at the instance of the Sanitary Board. The Special Magistrate being the ex-officio president of the Board cannot with propriety himself undertake the trial of such Cases.

6. The above are the more important Considerations which in my humble opinion point to the urgent necessity of appointing a Deputy Collector for the Gold Fields circle and I beg that Government may be pleased to take the question into their early Consideration.

Sir,

I have the honor to request the favour of your consideration of the following suggestion.

In view of the intended construction of a large town near Coregaum to be known as the New Town and the Amount of ordinary revenue work in the shape of acquisition and allotment of sites that will be necessited thereby, I would respectfully suggest the advisability of the Government being requested to deputie a Special Officer, who might well be of the grade of

Referring to the above, has the honor to request that the Deputy Commissioner will be good enough to place the

Magistrate advocating the appointment of a Deputy Amildar is submitted for perusal.

In Conclusion I beg to be permitted to submit the names of two Candidates in this District for the appointment of Deputy Amildar viz Mr Kesaviah Ba and T. Venkataramiah Ba. The former is acting 1st Grade Inspector of Police now doing duty as Head Quarter Inspector and the latter is the Revenue Head Accountant of the District Office. Both have passed all the departmental tests. Three Amildars in the District were drafted for plague duty in October 1898, and Mr Sparkes put in Kesaviah to act for one of them. This acting

arrangement lasted for some two months when the appointment was otherwise filled up. So recently as September 1899 he has specially recommended* J. Ven Ramaswamy for a permanent vacancy of Assistant, but the latter unfortunately lost the chance. The printed pamphlet of testimonials submitted by him contains among them a strong recommendation made on his behalf for a deputy Assistantship by Mr Ranga Swamy Engineer in April 1898 when that officer was the deputy Commissioner of the District

dated 14th March 1901 from the Kolar Munsiff, and a memorandum from the Special Magistrate, Kolar Gold Fields dated the 9th May 1901.

2. As regards question (2) I concur in the opinion expressed by the Special Magistrate, that no practical good would result, either to the public, or to the Civil work of the Special Magistrate's Court, by leaving small cause suits and suits up to 100/Rs. to the disposal of that Court, transferring the remaining original suits to another Munsiff's Court.

Why?

3. With reference to question (1) I entirely agree with the Kolar Munsiff that it would be most inconvenient to litigants in the Chintamani, Srinivasapur, Mulbagal and Malur Taluks if his Court were transferred

to

569 yearly.

5. As pointed out by Special Magistrate, the object of any transfer from the one Court to the other, would be to increase the rate of disposal in the matter of suits; and from the showing of the Kolar Munsiff himself this object could not be attained by the extra time he proposed to sit daily.

6. " " " Allowing my calculation in para 3 above to be fairly correct, it appears impossible that the Kolar Munsiff could, even if he sat 3 hours extra daily, make any material improvement in the rate of disposal of suits, of both the Courts taken together - and he has, I consider, quite underestimated the extra work which would be entailed by his taking over the whole of the Special

Magistrate's

members and importance.

8. As matters stand at present, it is impossible for one officer, however energetic or zealous he may be, to cope with the Criminal and Civil work of the Special Magistrate's Court and some such arrangement as that proposed, must be effected, if the criminal and Civil work are to be carried out equally efficiently.
